**JOURNAL**

**OFFICE OF LEGISLATIVE COUNSEL**

**Wednesday - 5 September 1962**

1. [ ] Delivered to Robert Smart, House Armed Services Committee, Copy #158 of SIC-5-4-62 dated 25 May 1962 entitled "Soviet Science & Technology through 1971."

2. [ ] Advised Roy Elson, Administrative Assistant to Senator Carl Hayden, that we had resolved the security questions which had been raised regarding the Department of Justice's action against [ ] (see Journal of 23 July 1962) and that the case was now in Justice's hands. I indicated that if [ ] should make a proposal to settle the claim by some compromise, we would be more than willing to consider it if this was acceptable to Justice. Elson did not quarrel with this position and said that he was quite willing to "let it ride."

3. [ ] Delivered a letter from General Carter to Senator Carl Hayden enclosing a copy of the redraft of H.R. 12923, to Mr. Francis Hewitt, of the Senate Appropriations Committee staff. Mr. Hewitt thanked us for dropping by and explaining the matter to him and indicated he would transmit it on to Senator Hayden.

4. [ ] Delivered a letter from General Carter to Senator Richard B. Russell enclosing a copy of the redraft of H.R. 12923, to William Darden, Senate Armed Services Committee staff.

5. [ ] Discussed briefly with Harry Wingate, Chief Clerk of the Senate Armed Services Committee, the letter forwarded concerning Cuban refugee eye witness reports of foreign troop landings and enclosures thereto. Mr. Wingate indicated he understood the Agency's desire not to reply to the substance of the letter but requested that the Legislative Counsel acknowledge receipt of the communication for their file.
